out of their turn at the loading piers. Yet the British do not hesitate to protest against the efforts of our government to protect its coastwise trade and to extend our laws to the Philip-

Discrimination

On U.S. Vessels

In preparing this statement for the board Mr. Marvin calls attention to a London dispatch to "Fae Liverpool Journal of Commerce," if the issue of July 31, which says:

"The United States Shipping Board has ordered a number of their steamers that were in European waters to proceed for the United Kingdom ports and has also undertaken to put into commission some of the tied-up vessels that were in American ports but this of course, does not settle the matter. This Country Should Object to Practices Abroad Livers of this side, and it is here is the question of loading turns on this side, and it is here that complications will come in. The United States Shipping Board as a sompared with British there is the question of loading turns on this side, and it is here that complications will come in. The United States Shipping Board as a sompared with British there is the question of loading turns on this side, and it is here that complications will come in. The United States Shipping Board as a ships for national work, but the British coal sellers and exporters may prefer to do business on a c. i. f. basis (cost of coal plus insurance and freight rate).

The Commission of the tied-up vessels that were in American ports but this of course, does not settle the matter. The country Should Obelet to Practices Abroad the process of the course of the tied-up vessels that were in American ports but this of course, does not settle the matter. The process of the process Reports from London that British of coal plus insurance and freight rate). If it comes to the matter of selection if it comes to the matter of selection British ships would naturaly receive the benefit of the loading turns, especially when stems can be arranged easily; so it is rather difficult to see exactly where the United States government of the American Steamship resident of the American Steamship will be was preparing a pay. No nation nowadays knows what m which he is going to happen, and it is certain discriminathat when the people behind the United uplated here, States ship subsidy bill and all the rest

Reports by Wireless

NOTICE TO OWNERS, AGENTS AND SHIPMASTERS SHIPMASTERS

The Tribune publishes daily reports of the positions of merchant vessels received through the Independent Wireless Corporation and the Radio Corporation of America. Shipmasters of vessels with radio apparatus may, without charge, report their (TR) noon positions through the following committerial radio stations in the United States proper. It is important that these reports should be sent promptly at noon each day in order that they may be received in time for publication.

Besitten rossiton reports can also be sent through the stations of the independent Wireless Telegraph Company, Inc., New York City (WCG), Babylon, L. I. (WSE), East Hampton, L. I. (WSA), New London, Conn. (WST). No charge made for medical or surgical advice, latest news and weather reports. eports.
The Radio Corporation of America London, Conn. (WLC), Cape May, New York City (WNY). Medical and surgical advice will be given free through the Radio Corpora.
